Copyright & Privacy Statement

Your access to and use of this site is subject to the following terms and conditions and all applicable laws. By accessing and using this site, you accept the following terms and conditions, without limitation or qualification. Unless otherwise stated, the contents of this site including, but not limited to, the text and images contained herein and their arrangement are the property of Aspria. All trademarks used or referred to in this website are the property of their respective owners.

This site and the content provided in this site, including, but not limited to, graphic images, audio, video, html code, buttons, and text, may not be copied, reproduced, republished, uploaded, posted, transmitted, or distributed in any way, without the prior written consent of Aspria, except that you may download, display, and print one copy of the materials on any single computer solely for your personal, non-commercial use, provided that you do not modify the material in any way and you keep intact all copyright, trademark, and other proprietary notices.

The information provided on this site is free of charge and for informational purposes only and does not create a business or professional services relationship between you and Aspria. Links on this site may lead to services or sites not operated by Aspria. No judgment or warranty is made with respect to such other services or sites and Aspria take no responsibility for such other sites or services. A link to another site or service is not an endorsement of that site or service. Any use you make of the information provided on this site, or any site or service linked to by this site, is at your own risk.

Aspria maintain this site in Germany and you agree that these terms of use and any legal action or proceeding relating to this site shall be governed by the laws of Germany. If you attempt to bring any legal proceedings against Aspria you specifically acknowledge that Aspria is free to choose the jurisdiction of our preference as to where such action against us may be held. As you have agreed by using this site to choose the laws of Germany to govern any such proceedings, we will probably choose to defend any such action in Germany and we can make this decision entirely as it suits us, without regard to where in the world you are located, or from where in the world you visited this site.

Delivery of information services and related guarantees

Information contained on these websites has been compiled by Aspria in a conscientious and thorough manner. The information given is non-binding. Aspria provides no guarantee as to the results that can be obtained by using the information given, in particular with regard to its accuracy, currency and completeness, or in respect of whether the quality of information meets your needs and wishes. Information given is subject to changes in design and supply, to amendment of the terms and conditions of sale of membership, and to price changes. As future developments are subject to varying and frequently unforeseeable factors, no guarantee can be given as to the accuracy of statements made relating to such future trends, events or circumstances. The management will update any such statements at its own discretion. Binding information can only be provided in response to specific enquiries.

Links to third-party websites

The Aspria websites include links to websites operated by third parties. Aspria lays no claim to ownership of the websites of third parties accessible by way of links, and is not responsible for their content.

Permissible use of services

In using these websites you must respect the copyright, name and trade mark rights, and all other proprietary rights, of third parties. All Aspria websites are protected for example, including the images, music and brand names appearing on them. Neither these websites nor the Conditions of Use attaching to them should be understood as representing a licence or as granting any other right to proprietary rights held by Aspria. You undertake not to misuse the services offered, in particular not to bypass any security measures implemented by the information services; nor to use any devices or run any applications which result in, or may result in, damage to the systems of Aspria or malfunction of them, in particular as a result of modifications to the physical or logical structure of the servers or the network of Aspria or of other networks; nor to integrate the information services, in whole or in part, into other Web content, whether private or commercial; nor to utilise the services for commercial profit.

Acceptance of cookies

Aspria places cookies on your computer when you visit our websites. You can determine the extent to which cookies are enabled or disabled by means of settings on your computer (usually in your Web browser, such as Internet Explorer; for more details refer to the Technical Requirements section). Aspria assumes that you agree to cookies being placed on your computer if your browser is set to allow them. With regard to data protection please refer to our Data Protection Declaration.

Security in transmission of messages to Aspria

In view of the technical structure of the Internet, if you wish to send an e-mail from your private e-mail account to Aspria you must take your own security precautions in order to maintain the confidentiality and integrity of your e-mail's content, by using for example, standard commercially available encryption software.

Data Protection Declaration

We are pleased that you are visiting our websites and would like to thank you for your interest in our company, our products and our websites. Your privacy when using our websites is important to us. Consequently, we would ask you to take note of the following information:

Anonymous data collection

You may, as a matter of principle, visit the general non-member sections of the Aspria websites without telling us who you are. We are notified merely of the name of your Internet Service Provider, the website from which you accessed our site, and which of our website pages you visit. This information is evaluated for statistical purposes. Your anonymity as an individual user is preserved.

Collection and processing of personal data

Personal details are only collected if you provide them to us, such as to execute a contract, in response to a survey, or when registering for personalised services.

This data is transmitted in encrypted form, in order to prevent misuse by third parties. Your data is processed within the Federal Republic of Germany.

Use and distribution of personal data

Without your consent to other use, the personal data collected on the websites of Aspria will be used only for contract execution and handling of your enquiries. Additionally, if you have given your consent, your data will also be used for promotional and market research purposes and for the design of needs-oriented electronic services from Aspria. Any use of personal data for the delivery of tailored promotional offers will also be made only if you have given your consent.

You can of course withdraw your consent at any time with immediate effect but subject to a reasonable delay related to the removal of your details from our system.

You can obtain information on your data, and submit any suggestions you may have, by e-mail to the following address:
